1 FeedMe: a collaborative alert filtering system.

Shilad Sen, Werner Geyer, Michael Muller, Marty Moore, Beth Brownholtz, November 2006 CSCW '06: Proceedings of the 2006 20th anniversary confesupported cooperative work

Publisher: ACM

Full text available: 1657.65 KB)

Additional Information: full citation, abstract, ref

Bibliometrics: Downloads (6 Weeks): 20, Downloads (12 Months): 246, Citatio

As the number of alerts generated by collaborative applications grows, I unwanted alerts. FeedMe is a general alert management system based as RSS and ATOM. In addition to traditional rule-based alert filtering, ...

Keywords: activity explorer, alert filtering, attention management, bay filtering, interruption management

² Techniques and tools for analyzing intrusion alerts

Peng Ning, Yun Cui, Dauglas S. Reeves, Dingbang Xu

May 2004 Transactions on Information and System Security (TISSE Publisher: ACM

Full text available: Pdi (1.55 MB)

5 MB) Additional Information: full citation, abstract, re-

Bibliometrics: Downloads (6 Weeks): 39, Downloads (12 Months): 412, Citatio

Traditional intrusion detection systems (IDSs) focus on low-level attacks alerts independently, though there may be logical connections between there are intensive attacks, not only will actual alerts ...

Keywords: Intrusion detection, alert correlation, security management

3 Visualizing geospatial data

Theresa Marie Rhyne, Alan MacEachren, Theresa-Marie Rhyne August 2004 SI GGRAPH '04: SIGGRAPH 2004 Course Notes

Publisher: ACM

Full text available: Pdf (14.01 MB)

Additional Information: full citation, abstract

Bibliometrics: Downloads (6 Weeks): 143, Downloads (12 Months): 962, Citati

This course reviews concepts and highlights new directions in GeoVisual levels of integrating geospatial data and geographic information system information visualization (VIS) methods. These include: ...

Seeing, hearing, and touching: putting it all together

Brian Fisher, Sidney Fels, Karon MacLean, Tamara Munzner, Ronald Rensin August 2004 SI GGRAPH '04: SI GGRAPH 2004 Course Notes

Publisher: ACM

Full text available: Pdf (20.64 MB) Additional Information: full citation, cited by

Bibliometrics: Downloads (6 Weeks): 323, Downloads (12 Months): 1796, Cita

Communications of the ACM: Volume 51 Issue 6

June 2008 Communications of the ACM

Publisher: ACM

Full text available: Digital Edition, Pol (8.89 MB) Additional Information: full citation

Bibliometrics: Downloads (6 Weeks): 594, Downloads (12 Months): 1498, Cita

6 Aesthetic and auditory enhancements for multi-stream information so Hong Juri Song, Kirsty Beilharz

September 2008 DIMEA '08: Proceedings of the 3rd international conference Media in Entertainment and Arts

Publisher: ACM

Full text available: Pdf (9.46 MB) Additional Information: full citation, abstract, ref

Bibliometrics: Downloads (6 Weeks): 21, Downloads (12 Months): 21, Citation

Sonification is an emerging modality of information representation, the visualization employing non-speech sound to display attributes of form, trends in abstract data. Like data-art or visual and auditory ...

Keywords: auditory stream segregation, concurrent auditory graphing, spatialization, timbre

7 User interfaces for privacy agents

Lorrie Faith Cranor, Praveen Guduru, Manjula Arjula

June 2006 Transactions on Computer-Human Interaction (TOCHI), Publisher: ACM

Full text available: Pdf (1.82 MB) Additional Information: full citation, abstract, ref

Bibliometrics: Downloads (6 Weeks): 67, Downloads (12 Months): 457, Citatio

Most people do not often read privacy policies because they tend to be I understand. The Platform for Privacy Preferences (P3P) addresses this p standard machine-readable format for website privacy policies. P3P ...

Keywords: P3P, preferences, privacy, privacy enhancing technology, p

8 A Taxonomy of free Network Sniffers for teaching and research Victor A. Clincy, Nael Abu-Halaweh October 2005 Journal of Computing Sciences in Colleges , Volume 21 Issue Publisher: Consortium for Computing Sciences in Colleges

Full text available: Pdf (678.89 KB) Additional Information: full citation, abstract, ref

Bibliometrics: Downloads (6 Weeks): 24, Downloads (12 Months): 149, Citatio

Today's networking environment has become very complex. Networks h rapidly and have come to support more complex applications. As result, maintaining networks has become cumbersome and has created the new

Disruption and recovery of computing tasks: field study, analysis, and Shamsi T. Iqbal, Eric Horvitz

April 2007 CHI '07: Proceedings of the SIGCHI conference on Human fact Publisher: ACM

Full text available: (632.55 KB) Additional Information: full citation, abstract, rel

Bibliometrics: Downloads (6 Weeks): 17, Downloads (12 Months): 197, Citatio

We report on a field study of the multitasking behavior of computer use suspension and resumption of tasks. Data was collected with a tool that with software applications and their associated windows, as well ...

Keywords: attention, interruption, notifications, task switching

10 SmartSiren: virus detection and alert for smartphones

🚵 Jerry Cheng, Starsky H.Y. Wong, Hao Yang, Songwu Lu

June 2007 MobiSys '07: Proceedings of the 5th international conference c applications and services

Publisher: ACM

Full text available: (534.00 KB) Additional Information: full citation, abstract, rel

Bibliometrics: Downloads (6 Weeks): 64, Downloads (12 Months): 385, Citatio

Smartphones have recently become increasingly popular because they property that the same increasingly popular because they property that the same increasingly popular because they provided the same increasingly popular because they provided the same increasingly popular because they provided the same increasingly property that the same increasing the same inc convenience by integrating traditional mobile phones with handheld con the flexibility of running third-party softwares also leaves the smartphor

Keywords: alert, privacy, security, smartphone, virus detection

11 Gist summaries for visually impaired surfers

Simon Harper, Neha Patel

October 2005 Assets '05: Proceedings of the 7th international ACM SIGAC(Computers and accessibility

Publisher: ACM

Full text available: Mov (29:6 MIN), Pdf (2.19 MB) Additional Information: full citation

index term

Bibliometrics: Downloads (6 Weeks): 15, Downloads (12 Months): 92, Citation

Anecdotal evidence suggests that Web document summaries provide the for making decisions regarding the route to take within non-linear text; shows that sighted people use 'Gist' summaries as decision ...

Keywords: document engineering, tools, visual impairment, web

12 Interface design for an aircraft thrust and braking indicator/advisor

S. D. Pinder, D. N. Bristow, T. C. Davies

November 2006 OZCHI '06: Proceedings of the 20th conference of the com special interest group (CHISIG) of Australia on Computer-h activities, artefacts and environments

Publisher: ACM

Full text available: All (312.13 KB) Additional Information: full citation, abstract, rel

Bibliometrics: Downloads (6 Weeks): 5, Downloads (12 Months): 54, Citation (

Recent advances in the development of aircraft landing and takeoff perf systems (Pinder, 2003) have shown the feasibility of a cockpit instrume significantly in the decision making process during the most critical phas

Keywords: auditory interfaces, aviation, bimodal user interfaces, cockr

13 An instant semantics acquisition system of live soccer video with apr

and on-the-fly language selection

<u>Xinguo Yu, Xin Yan, Liyuan Li, Hon Wai Leong</u>

July 2008 CIVR '08: Proceedings of the 2008 international conference on video retrieval

Publisher: ACM

Full text available: (630.70 KB) Additional Information: full citation, abstract, re-

Bibliometrics: Downloads (6 Weeks): 9, Downloads (12 Months): 26, Citation (

Automatic indexing of recorded sports video is a hard problem, even mo though a lot of advances have been achieved in the recent years. This p automatic instant semantics generation system of live soccer ...

Keywords: Gamelog, icon-based input, instant semantics acquisition, I language selection, sports video

14 Statistical techniques for detecting traffic anomalies through packet t Seong Soo Kim, A. L. Narasimha Reddy

June 2008 | IEEE/ ACM Transactions on Networking (TON) , Volume 16 ls: Publisher: IEEE Press

Full text available: Pdf (2.90 MB) Additional Information: full citation, abstract, ref

Bibliometrics: Downloads (6 Weeks): 70, Downloads (12 Months): 135, Citatio

This paper proposes a traffic anomaly detector, operated in postmortem passively monitoring packet headers of traffic. The frequent attacks on I using various forms of denial of service attacks, have led to ...

Keywords: egress filtering, network attack, packet header, real-time n statistical analysis of network traffic, time series of address correlation,

15 Comparing the effects of visual-auditory and visual-tactile feedback of meta-analysis

Jennifer L. Burke, Matthew S. Prewett, Ashley A. Gray, Liuquin Yang, Frede

Coovert, Linda R. Elliot, Elizabeth Redden

November 2006 ICMI '06: Proceedings of the 8th international conference of

Publisher: ACM

Full text available: Pdf (387.08 KB) Additional Information: full citation, abstract, ref

Bibliometrics: Downloads (6 Weeks): 13, Downloads (12 Months): 220, Citatio

In a meta-analysis of 43 studies, we examined the effects of multimoda performance, comparing visual-auditory and visual-tactile feedback to v Results indicate that adding an additional modality to visual feedback ...

Keywords: meta-analysis, multimodal interface, visual-auditory feedba

16 News to go: hierarchical text summarization for mobile devices

Jahna Otterbacher, Dragomir Radev, Omer Kareem August 2006 SI GI R '06: Proceedings of the 29th annual international ACM Research and development in information retrieval

Publisher: ACM

Full text available: (676.45 KB) Additional Information: full citation, abstract, rel

Bibliometrics: Downloads (6 Weeks): 22, Downloads (12 Months): 162, Citatio

We present an evaluation of a novel hierarchical text summarization me view summaries of Web documents from small, mobile devices. Unlike r does not require the documents to be in HTML since it infers ...

Keywords: mobile computing, summarization

17 Webformulate: a web-based visual continual query system

Jenniter Leopold, Meg Heimavics, Tyler Palmer

May 2002 WWW '02: Proceedings of the 11th international conference or

Publisher: ACM

Full text available: (423.60 KB) Additional Information: juli citation, abstract, rel

Bibliometrics: Downloads (6 Weeks): 1, Downloads (12 Months): 33, Citation (

Today there is a plethora of data accessible via the Internet. The Web h process of searching for, accessing, and sharing information. However, Internet-distributed data still goes unnoticed and unutilized, ...

Keywords: continual query, visual programming language, visual query

18 Communications of the ACM: Volume 51 Issue 5

May 2008 Communications of the ACM

Publisher: ACM

Full text available: Digital Edition, Pdf (7.28 MB) Additional Information: Juli citation

Bibliometrics: Downloads (6 Weeks): 550, Downloads (12 Months): 1218, Cita

19 Path seeds and flexible isosurfaces using topology for exploratory vi: Hamish Carr, Jack Snoeyink

May 2003 VISSYM '03: Proceedings of the symposium on Data visualisat

Publisher: Eurographics Association

Full text available: Pdf (976.19 KB) Additional Information: full citation, abstract, cit

Bibliometrics: Downloads (6 Weeks): 4, Downloads (12 Months): 53, Citation (

Morse theory and the Reeb graph give topological summaries of the ber functions. The contour tree augments the Reeb graph for the isosurface sets, which are starting points for extracting isosurfaces ...

20 Managing battery lifetime with energy-aware adaptation

Jason Flinn, M. Satyanarayanan

May 2004 Transactions on Computer Systems (TOCS), Volume 22 Issue

Publisher: ACM

Full text available: Pdf (1.61 MB) Additional Information: full citation, abstract, ref

Bibliometrics: Downloads (6 Weeks): 25, Downloads (12 Months): 195, Citatio

We demonstrate that a collaborative relationship between the operating can be used to meet user-specified goals for battery duration. We first c based approach for accurately measuring application and ...

Keywords: Power management, adaptation
